"If the seal is broken, disaster will befall this world!"

Sakura Kinomoto was just your average 4th grader—loved P.E., hated math. Until...

One day, while looking through her father's library, Sakura found The Clow, an enchanted book designed to hold a set of magical Clow Cards. But when Sakura opened the book, it was empty. Kerberos, the Creature of the Seal, emerged from the cover of the book and told Sakura the cards must be returned to the book. "If the cards aren't in the book, they come to life and do evil!" Talk about disasters!! Kero formed a contract with Sakura making her Cardcaptor. And together with Kero and best friend Tomoyo, Sakura embarked on a mystical journey to capture all the Clow Cards before they wreak chaos and destruction.

I-I'm sorry!!

You don't have
club practice
today, so you
can rest well
at home.

YUKIE
KIMURA

Waaahhh!
That
was so
embarrass-
ing!

I tried
to wake
you up,
but...

Couldn't
you sleep
last night?

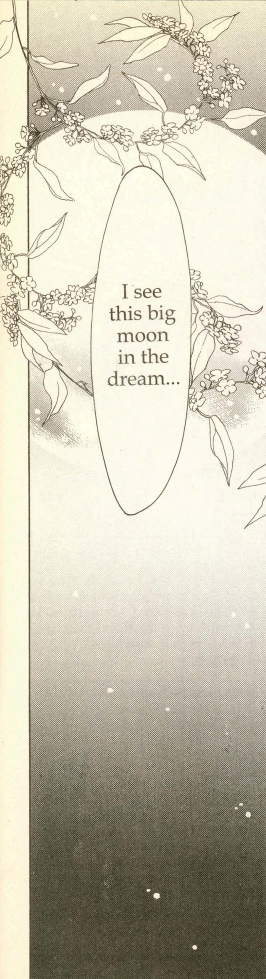

SHAKE

I slept
fine.

SHAKE

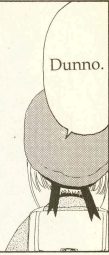

I've been
seeing this
strange
dream
recently...

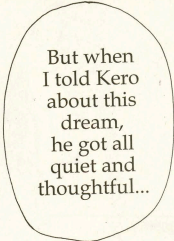

I see
this big
moon
in the
dream...

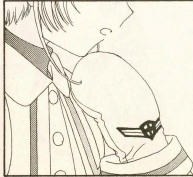

Is that one
of those
precognitive
dreams that
Kero was
talking
about?

Dunno.

But when
I told Kero
about this
dream,
he got all
quiet and
thoughtful...

And...

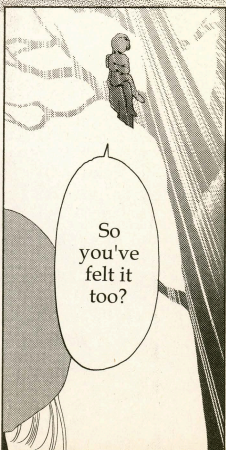

I get this
funny
feeling...

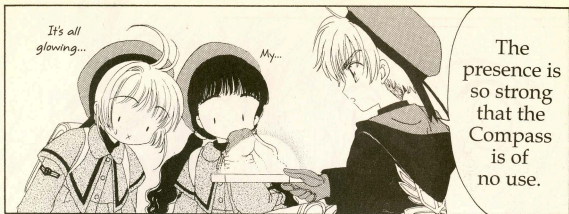

Umm...
I
can't
explain
it,
but...

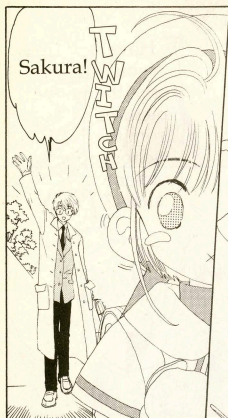

So
you've
felt it
too?

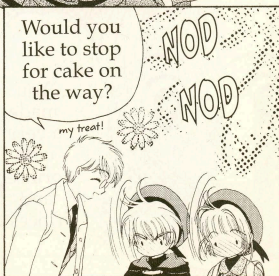

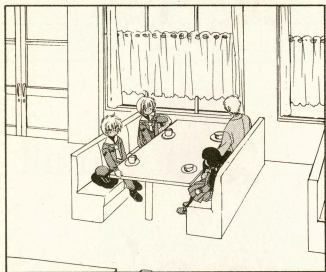

Hello.

PWF

Oh,
right...

Have
you
seen the
pictures
from the
school
talent
show?

The ones
Toya took.

You
made
a very
cute
prince
and
princess.

It was
fun.

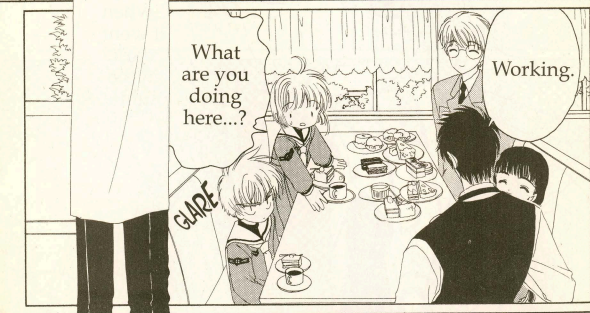

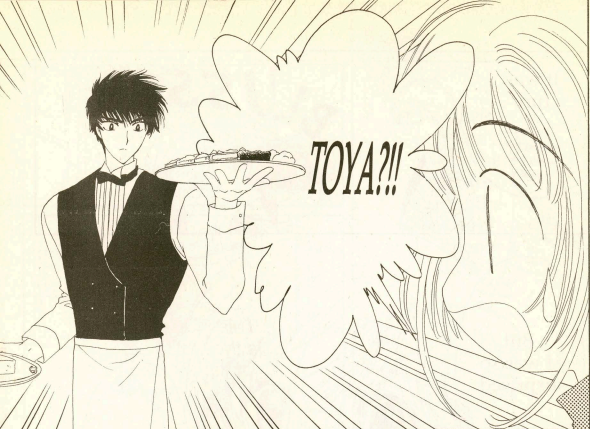

*That boy
playing the
witch was
good.*

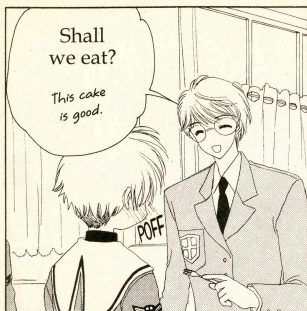

BLUSSHH

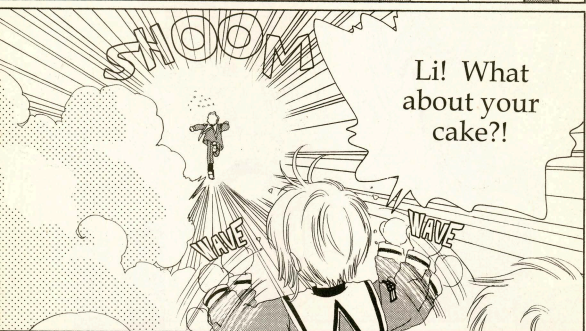

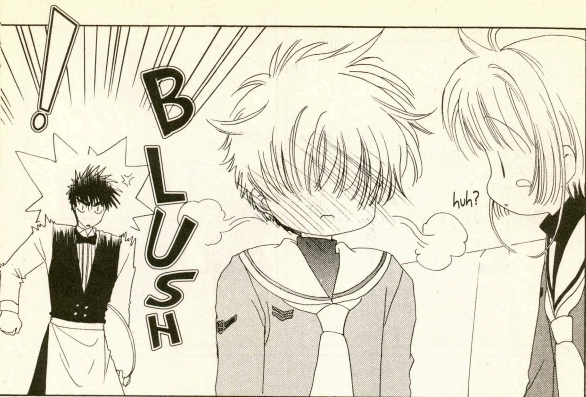

But,
I was so
surprised...

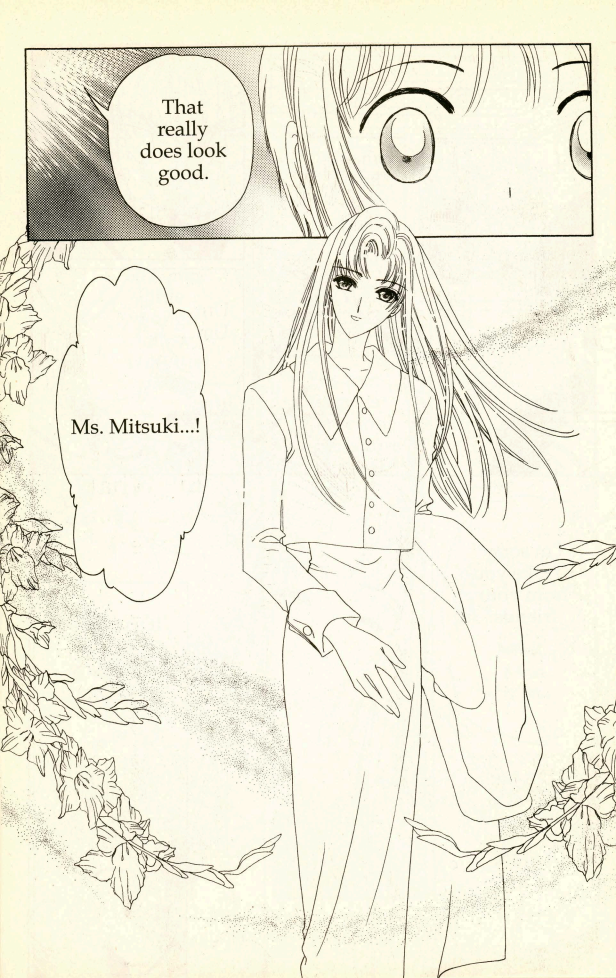

...when
it went
dark
in the
middle.

Sorry
to keep
you
waiting.

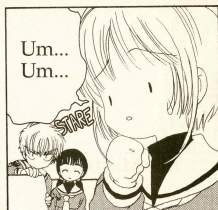

That
really
does look
good.

Ms. Mitsuki...!

I'm sorry
to take you
from your
friends.

I wanted
to talk
with you.

It's no good!
I still go
all floaty.

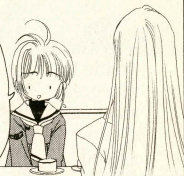

You
call him
Kero,
don't
you?

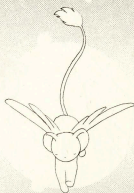

That cute
little
orange
fellow
with the
wings.

Kero
told
me...

he met
you
at the
talent
show.

His true
name is
Kerberos,
the Creature
of the Seal...
isn't it?

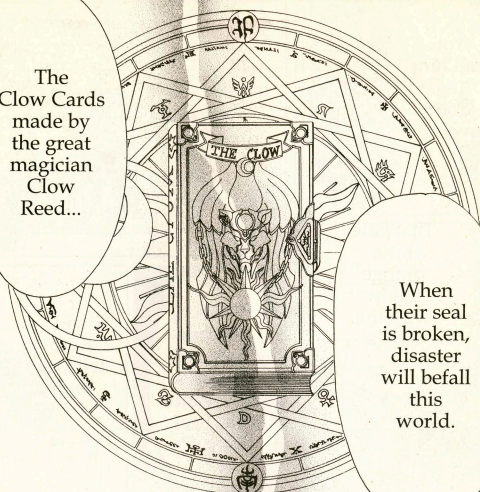

Did
Kero
tell you
that?

No.

?

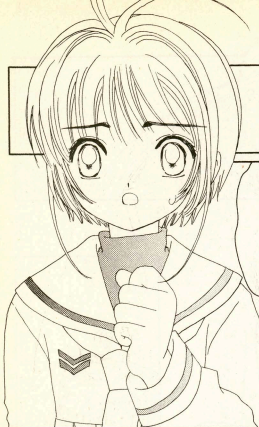

The
Clow Cards
made by
the great
magician
Clow
Reed...

When
their seal
is broken,
disaster
will befall
this
world.

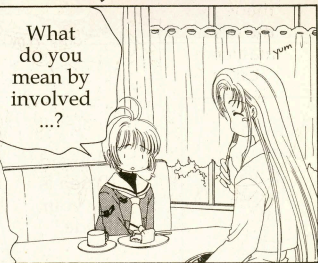

You
know
about
them?!

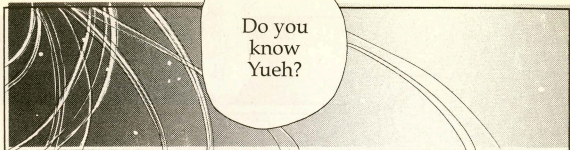

I'm
involved
with
them a
little.

Huh
?!

What
do you
mean by
involved
...?

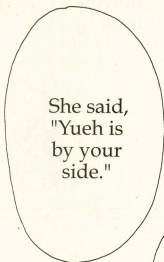

Do you
know
Yueh?

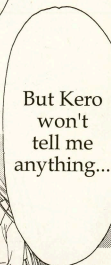

Kero
said it
in his
sleep...

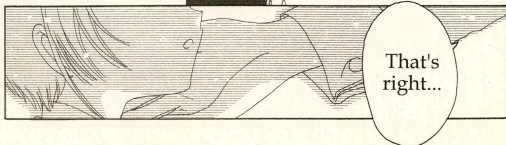

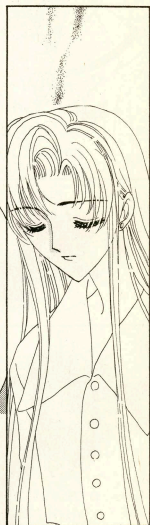

And... the
card I sealed
away the
other day
talked about
it too...

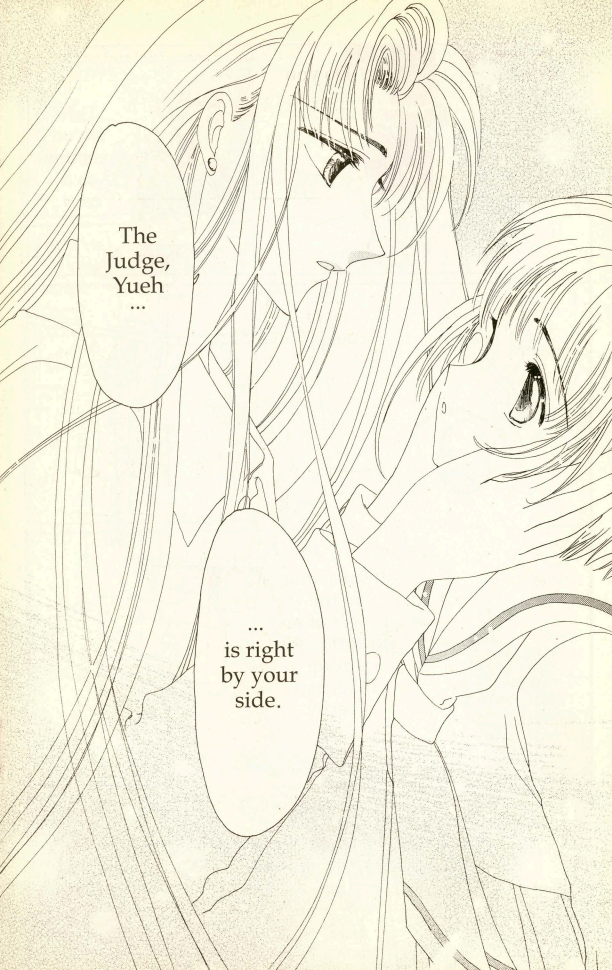

She said,
"Yueh is
by your
side."

But Kero
won't
tell me
anything...

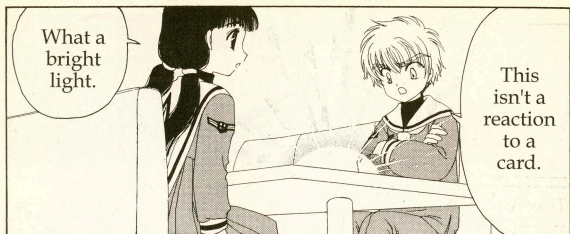

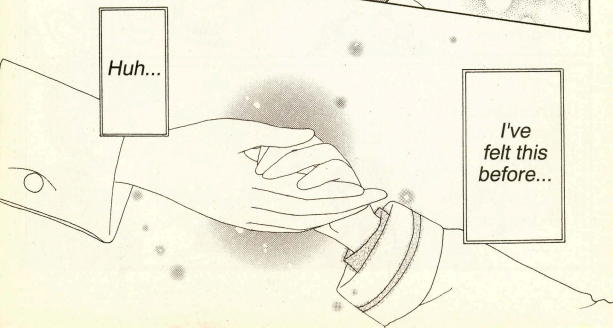

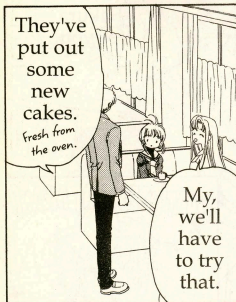

That's
right...

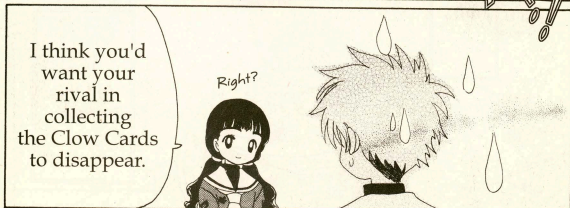

The
Judge,
Yueh
...

...
is right
by your
side.

So why
do you
worry
about
Sakura?

WHA?!

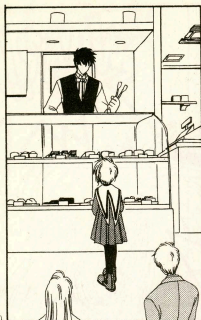

Th-...
That...

I...
I-I-I...

That's
not
it ...!

What's
not it?

BLUSH

Make
up your
mind.

Click Click

But they
all look
so good...

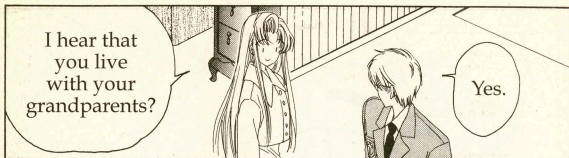

Pleasantville

Have you
decided
Mr. Mitsuki?

I'm going
to try the
gateau
chocolat.

When
did you
come to
Tomoeda?

In the
third
quarter
of my
freshman
year.

Oh...!

This
is the
feeling!

I felt the
same
when I
held
Ms.
Mitsuki's
hand...

Kind of
warm
and
happy...

What
were you
talking
about?

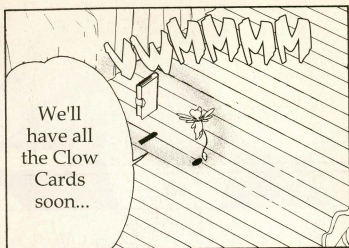

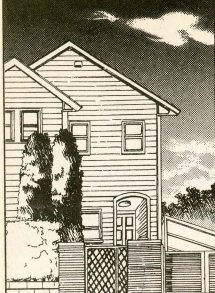

You still
haven't told
Yuki what you
really want,
have you?

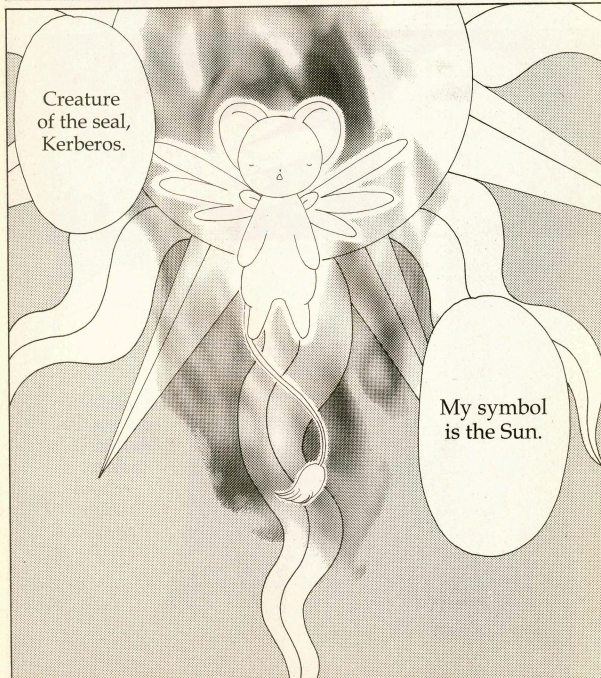

Just
a little
longer...

We'll
have all
the Clow
Cards
soon...

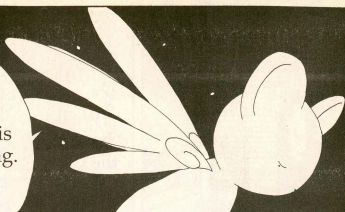

Creature
of the seal,
Kerberos.

My symbol
is the Sun.

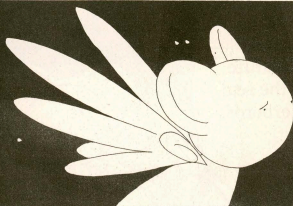

With
each card
Sakura
seals
away,

my
power is
returning.

But...

At the
same time,
Yueh's power
is getting
stronger
too.

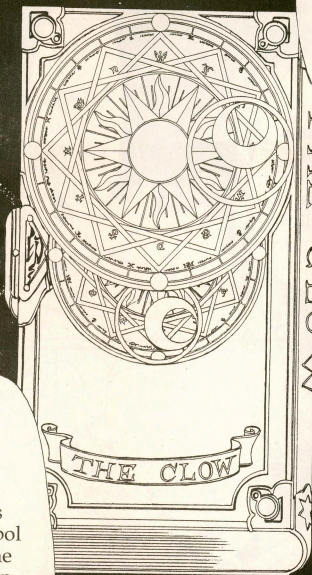

Yueh...

I can
feel his
presence.

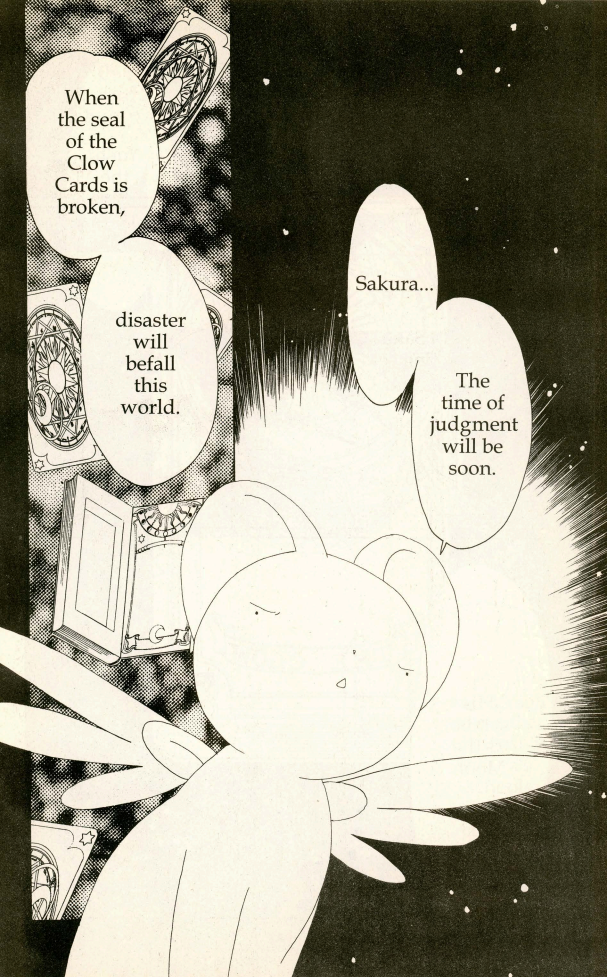

I sensed Yueh's
power the
strongest at
Sakura's
school
talent
contest.

Yueh,
the
Judge.

His
symbol
is the
Moon.

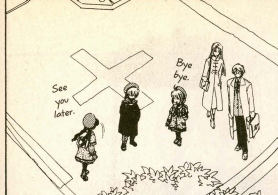

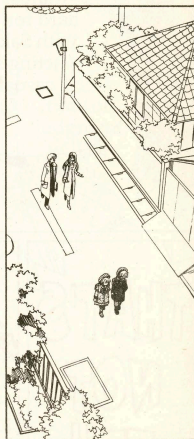

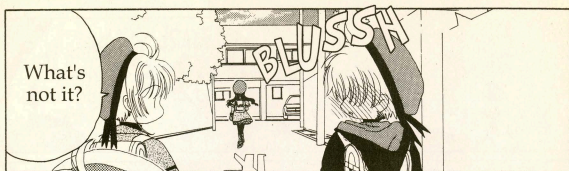

When
the seal
of the
Clow
Cards is
broken,

disaster
will
befall
this
world.

Sakura...

The
time of
judgment
will be
soon.

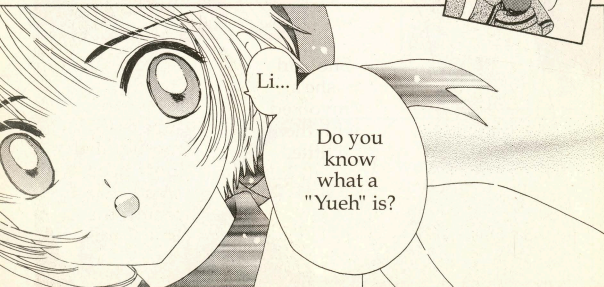

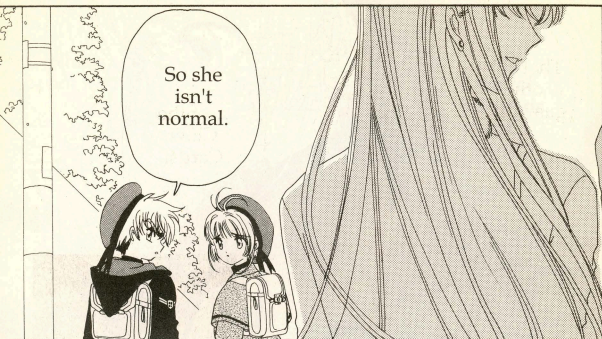

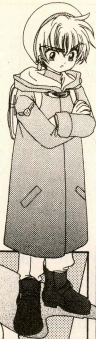

She
knows
about the
Clow
Cards.

What?!

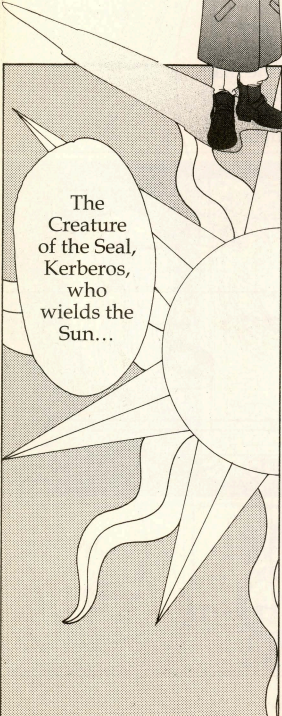

She said
she's
"involved
with them
a little."

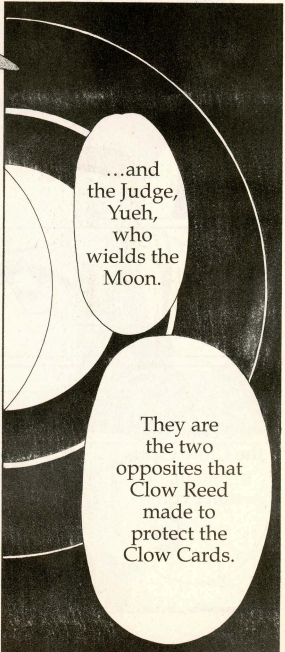

That's the
other
guardian...

...of the
Clow
Cards.

The
Creature
of the Seal,
Kerberos,
who
wields the
Sun...

...and
the Judge,
Yueh,
who
wields the
Moon.

They are
the two
opposites that
Clow Reed
made to
protect the
Clow Cards.

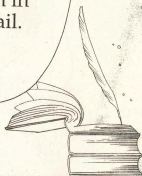

What
does this
Judge
judge?

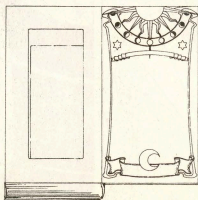

There's
nothing
in the
books

that
Clow
wrote that
describes
Yueh in
detail.

I don't
know.

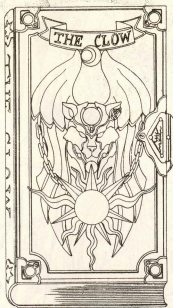

You have
the book that
the Clow Cards
go in,
don't you?

Yes.

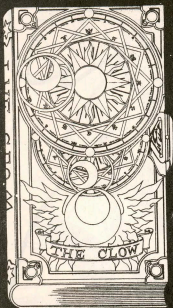

The
Golden
Beast
on the
cover...

...is
Kerberos.

And the
Moon
on the
back
cover...

...is
Yueh.

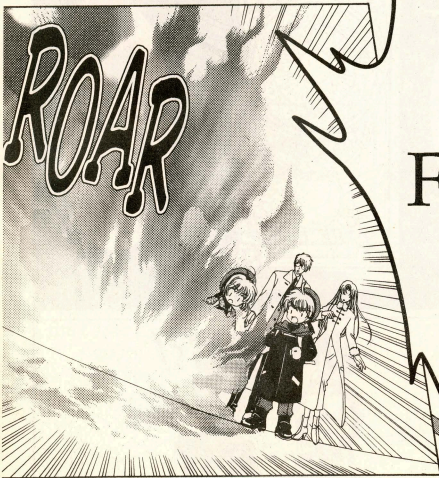

There
wasn't a
Moon on
the back
cover.

HUH? WHAT?!

That
must
mean...

...that Yueh
has taken a
solid form, just
like Kerberos.

FIRE!!

To be continued...
